GUIDEBOOK

UTMxHACKATHON'26

Bridging the gap between students and the industry with creative problem-solving.

Date:

23 May 2026

Venue:

N28a, Faculty of Computing, UTM Skudai

<https://utm-hackathon.vercel.app>

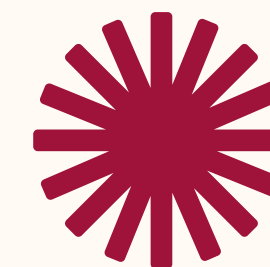

What is UTMXHACKATHON?

UTMXHACKATHON'26 is an annual innovation event organised by PERSAKA. It is designed to challenge university students to move beyond theoretical frameworks and develop scalable solutions for authentic industry problem statements.

The Vision: To become the ultimate platform for industry-led student innovation, connecting top-tier technical talents with the corporate world.

Terms & Conditions ✕

By participating in UTMxHackathon'26 Final Round, you agree to the following rules and regulations of this competition.

- Finalists must attend **physically** at Universiti Teknologi Malaysia on **23 May 2026**. Failure to attend will result in **disqualification**.
- **No** accommodation and transport will be provided.
- The booth presentation includes:
 1. **8-minute pitching.**
 2. **7-minute Q&A session.**
- Finalists must also upload a digital copy of poster/infographic via KooQ.
- Projects will be evaluated based on predefined criteria in the Final Rubric shared to finalist.
- Judges decision is **final**.

Tentative

23 May 2026 (Saturday)

Note:

- Breakfast & Lunch will be provided

TIME	EVENT	VENUE
8.00 AM	Participant Registration and Breakfast	Ruang Legar N28
9.00 AM	Opening Ceremony	
9.30 AM	Pitching Session	
1:00 PM	Break	
2:00 PM	Public Exhibition	Ruang Legar N28
3:00 PM	Sharing Session with Mr Shukry Radzi	Dewan Kejora, N28A
3.30 PM	Closing Ceremony	
5.00 PM	Photography Session & Dismissal	

Booth Layout

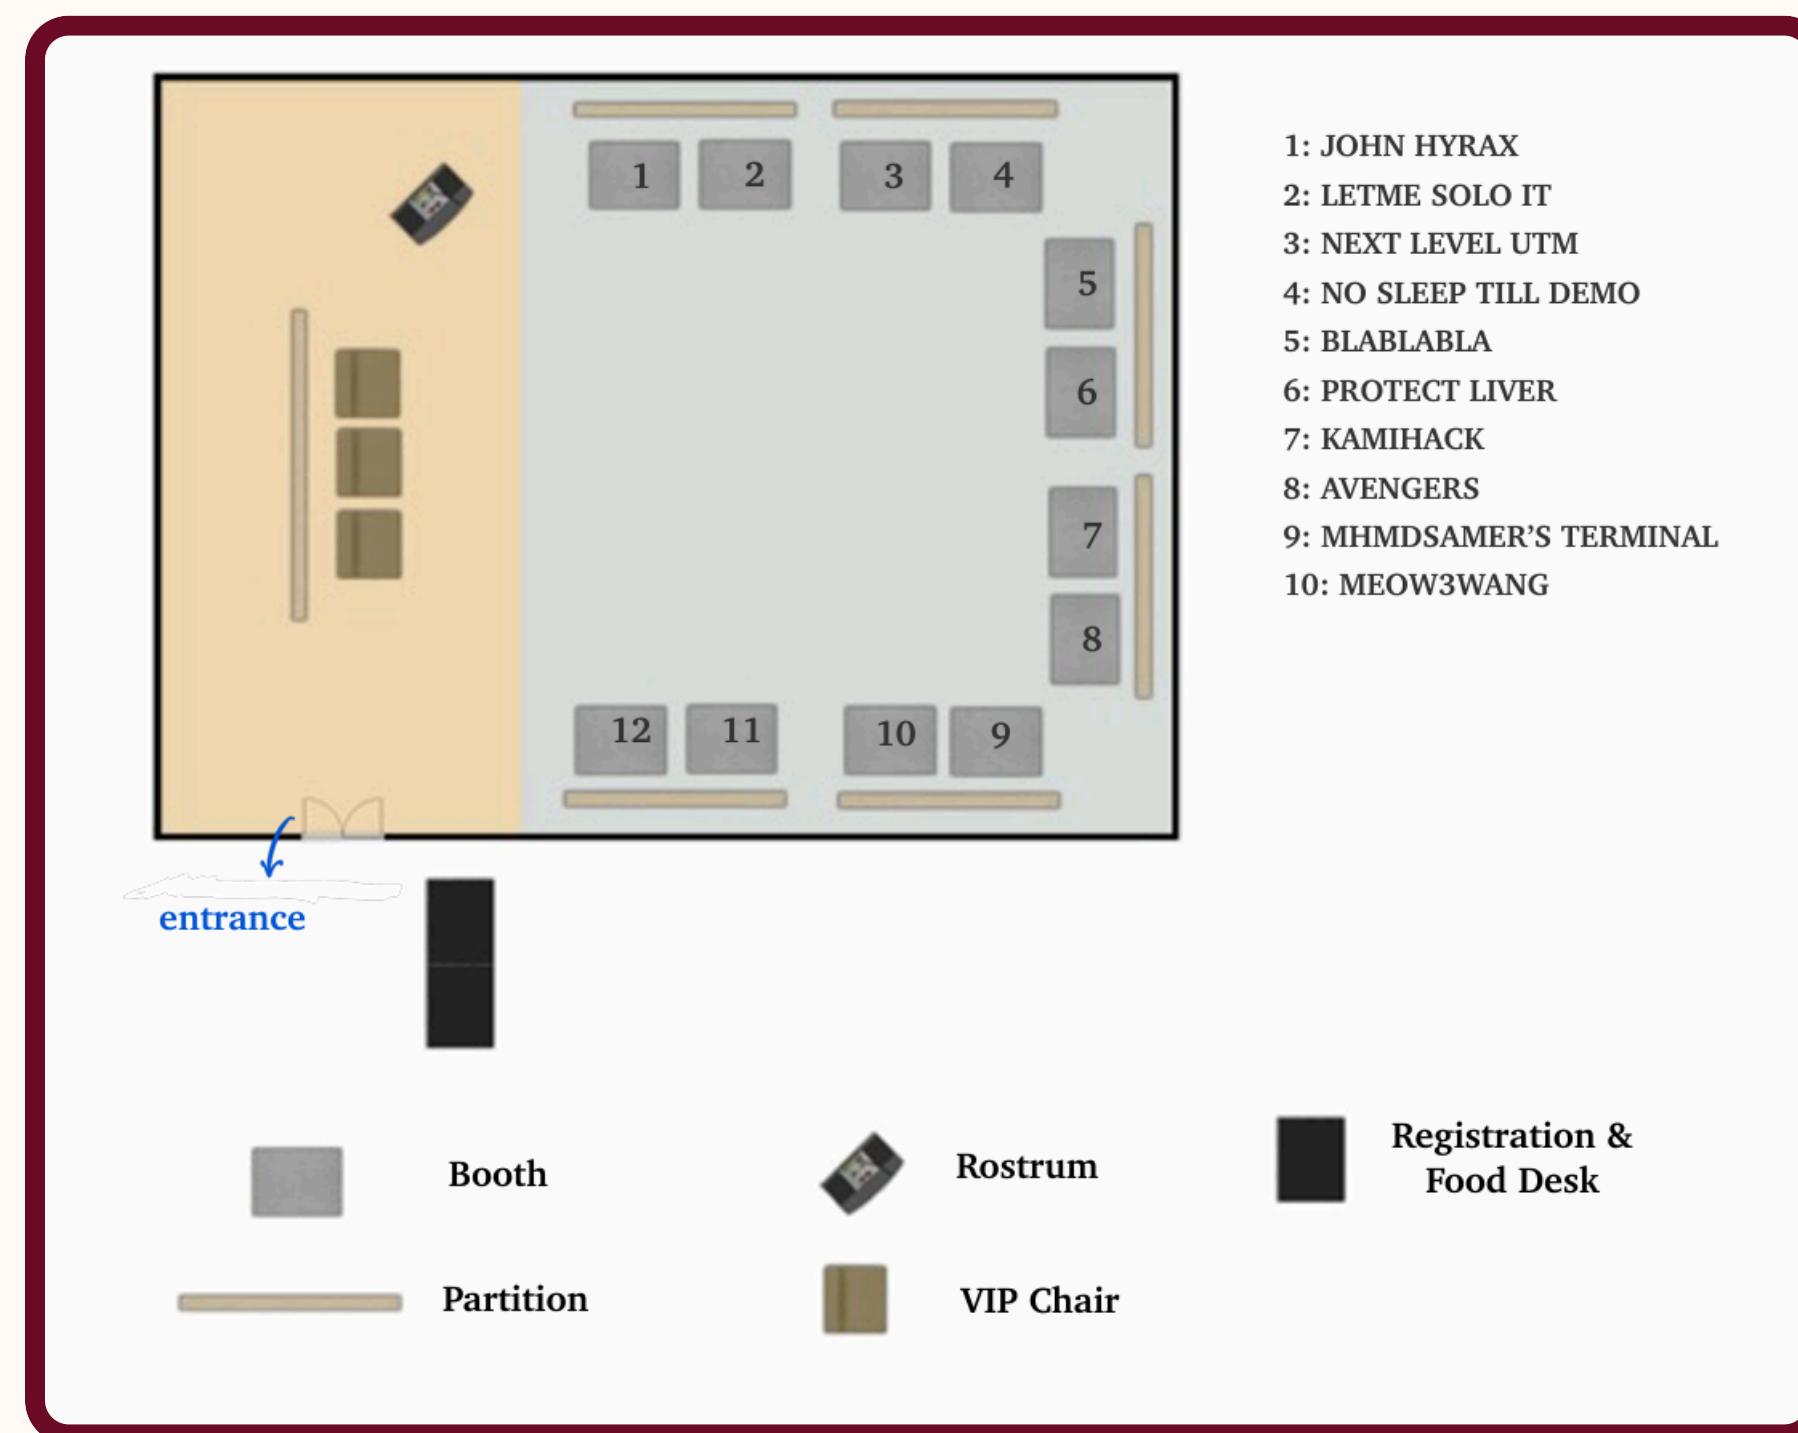

This layout shows the arrangement of all team booths and key event areas

Entrance Area (Bottom)

- Main entrance
- Registration & food unit tables

Competition Area (Right side / grey)

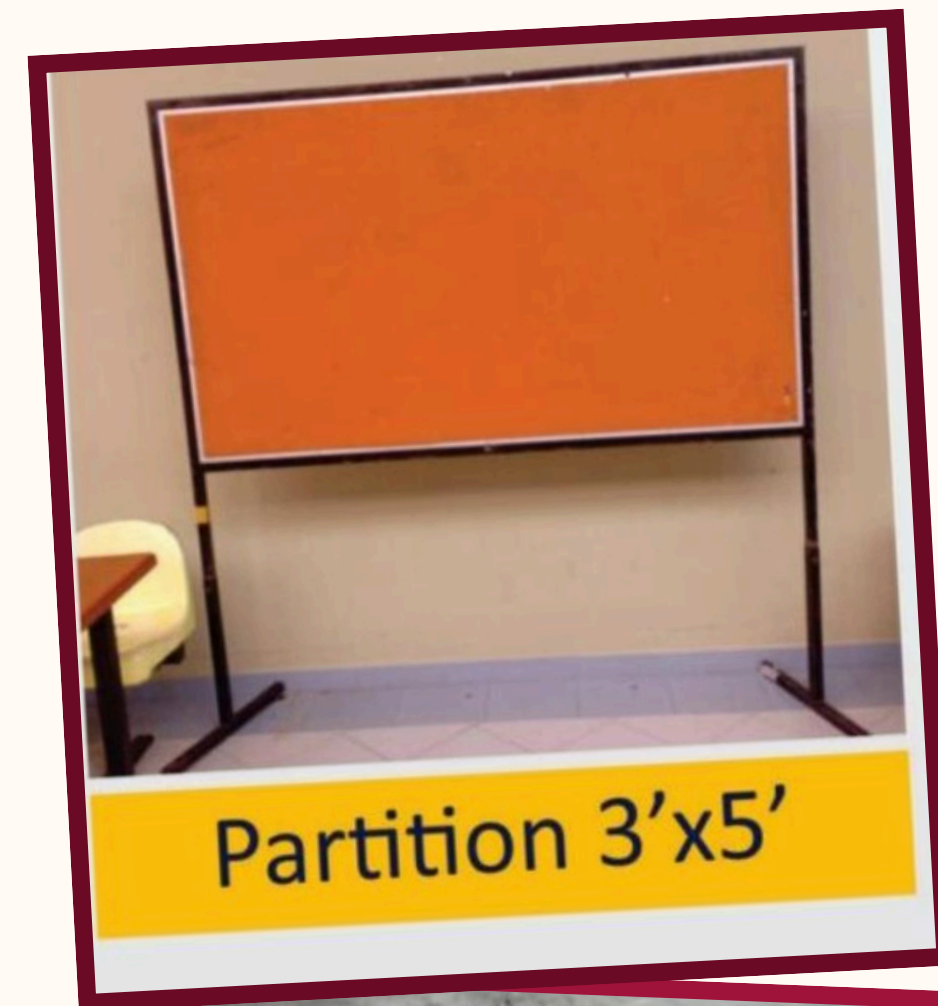

- Contains booths 1-12 (teams listed on the right)
- Each team is assigned a numbered booth

Booth Dimensions

- Each team will be provided with 1 table, 2 chairs, and **half a partition** (shared with neighbouring team) for the booth setup.
- The table size provided is approximately 2' × 1.5', while each partition measures 3' × 5'. (refer images provided)
- Participants are advised to place important information or project displays on the front-facing partition to ensure visibility for judges and visitors.
- Teams are encouraged to arrange their booth neatly and strategically to maximize the available space.

Note: Should you have already prepared materials based on the original booth measurements, kindly reach out to the organising committee for further assistance.

Dress Code

- Participants are required to wear **smart casual** attire throughout the event.
(includes collared shirts and proper shoes.)
- Our crew will conduct dress code checks during the registration session.
- Participants who do not comply with the dress code requirements will not be allowed to present in front of judges and VIPs.
- Non-compliant participants will also not be permitted to go on stage to receive prizes.
- Participants are strongly advised to comply with the dress code requirements to avoid any inconvenience during the event.

General Tips

- Bring extension cords as the available power sockets may be limited.
- Bring handheld fans for comfort, as the booth is located in an open-air area.
- Prepare interactive demo for judges to test and explore
- Test all equipment, software, and internet connections before the presentation session.
- Be ready to answer possible questions regarding the project

Goodluck !

See you there!

We can't wait to see what you've built. Gear up for the final push and give it your all!

By participating in **UTMxHackathon'26 Final Round**, you agree to the following rules and regulations of this competition.

A. ELIGIBILITY

1. Participants must be at least 18 years old and be pre-undergraduate or undergraduate students enrolled in local universities, whether public or private. We reserve the right to verify your undergraduate status at any time by requesting your student card.
2. Organisers, judges, sponsors, or individuals in any other privileged positions of the event are ineligible.

B. PARTICIPATION

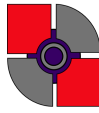

1. Teams that are qualified for the final round will need to physically attend the Grand Finale at Universiti Teknologi Malaysia (UTM), Johor Bahru. **Accommodation and transportation are not provided.**
2. Any team that fails to attend the Grand Finale in person will be disqualified, and their slot will be allocated to the next eligible team on the waiting list.
3. Any kind of tampering with the competition's registration, flow and/or result in any way will result in participants being banned and disqualified from the competition.
4. All participants, competitors, judges, speakers and program partners must be treated with mutual respect and courtesy.

C. MODE OF EXECUTION

1. The Grand Finale will be conducted physically on **23 May 2026** from 8.00AM to 6.00PM at Universiti Teknologi Malaysia (UTM). The tentative schedule of the program can be referred to in Appendix 1
2. In the Grand Finale, finalists must present their prototype and deliver an **8-minute pitching** and **7-minute Q&A** session during their booth presentation.
3. Finalists are also required to upload a digital copy of their poster/infographic through the submission link that will be shared at a later date.

Welcome to UTMxHackathon'26!

This document outlines the official evaluation rubric for the Finals Round of UTMxHackathon'26. All projects, regardless of the chosen case study, will be assessed against this single unified set of criteria

Pitching Rubrics

Pitching					
Criteria	Poor (1 - 2)	Fair (3 - 4)	Good (5 - 6)	Very Good (7 - 8)	Excellent (9 - 10)
Problem and Solution 30%	Unclear problem statement and solution.	Identifies the problem but weak solution explanation.	Clearly presents problems and solutions but lacks depth.	Strong problem-solution connection with good justification.	Clearly articulated problem and well-justified, impactful solution.
Demonstration 25%	No demonstration or unclear explanation.	Basic demo, but lacks detail or relevance.	Functional demo but could be more engaging.	Clear and well-explained demo.	Excellent demo, highly engaging, well-integrated into the pitch.
Presentation 20%	Disorganized, difficult to follow. Monotone delivery with low confidence and engagement.	Somewhat structured but lacks flow. Limited energy and confidence with minimal engagement.	Has structure but could be clearer. Moderate confidence and some engagement.	Well-structured, clear, and easy to follow. Engaging and confident.	Exceptionally well-organized, logical, and compelling. Highly engaging and confident.
Q&A Handling 10%	Cannot answer questions or provide unclear responses.	Struggles with questions, lacks confidence.	Answers some questions well, but some uncertainty.	Good responses, confident, and knowledgeable.	Excellent responses, highly confident, and demonstrates deep understanding.
Persuasiveness and Impact 10%	Fails to convince audience or judges.	Somewhat convincing but lacks strong points.	Moderately persuasive with decent impact.	Strong and persuasive, making a solid impression.	Exceptionally persuasive, compelling, and leaves a lasting impact.
Booth Decoration 5%	Minimal or poorly arranged display, lacks visual appeal and does not support the topic.	Basic setup, limited organization or creativity, visuals are present but ineffective	Adequately organized with some visual appeal. Supports the topic adequately.	Well-organized, visually appealing and supports the topic clearly. Shows creativity.	Exceptionally attractive, creative, and professional display. Enhances understanding and engaging.

Special Awards Rubrics

Best Innovation

Awarded to the team with the most creative and original concept, even if not fully functional.

- Uniqueness, originality and novelty of the idea
- Potential impact or usefulness in real-world scenarios
- Boldness in exploring new or unconventional approaches
- Clear vision and purpose behind the concept

Best Booth Presentation

Awarded to the team that delivered the most convincing pitch through their booth experience.

- Clear articulation of the problem statement and solution
- Confident and engaging delivery
- Effective storytelling supported by visual aids, demos, or prototypes
- Booth aesthetics, layout, and creativity in attracting and engaging visitors
- Ability to answer questions and handle feedback professionally

(Remarks: The winner of this award may be selected by judges other than the top three groups.)
